Where Amazing Begins

DS6421-2

**Two handset system—
includes 2 handsets and
requires only one phone jack**

- **DECT 6.0 Digital technology** provides the best sound quality, security and range in cordless phones
- **Interference free** for crystal clear conversations—won't interfere with wireless networks and other electronic devices
- **Protect yourself from identity theft** with digital security—your call is digitized and encrypted, making it nearly impossible for someone to eavesdrop
- **Expand this system to a total of 12 cordless handsets and 2 cordless headsets**—uses DS6401 accessory handset and IS6100 headset
- **Push To Talk intercom**—use as a multiple handset walkie talkie system to instantly communicate with any or all of the handsets within the system
- **HD Audio**—the frequency band has been extended allowing for the signal to be reproduced and tuned for a fuller and clearer sound
- **Equalizer**—choose from 4 different profiles to best match your hearing
- **Handset speakerphone**—enjoy hands-free conversations on each handset
- **Intercom between handsets**—no more shouting, “Dinner time!”
- **Transfer calls** between handsets—no more shouting, “It's for you!”
- **Conference an outside call** between handsets
- **Voicemail waiting indicator****—icon and text message on the handset silently alert you when you have messages waiting
- Any key answer
- Backlit keypad and display
- Handset volume control
- Last number redial—quickly redial the last 10 numbers called
- Trilingual menu prompts—choose between English, French or Spanish
- Page/handset locator
- Selectable ring tones
- Wall mount bracket included
- Compatible with Hearing Aid T-Coil—reduces noise and interference when used with T-Coil equipped hearing aids and cochlear implant

CALLER ID/CALL WAITING FEATURES

- Voice Announce Caller ID®—audibly announces the name or number of the caller on all of the handsets and base unit
- Caller ID/call waiting*—stores 50 calls
- Display dial

ANSWERING SYSTEM FEATURES:

- Digital answering system—no tapes or moving parts
- Remote message retrieval—call in from anywhere to get your messages
- Up to 11 minutes of recording time***
- Audible time and date stamp on recorded messages
- Message retrieval from handset
- Bilingual voice prompts—choose between English or French

BLUETOOTH FEATURES:

- Connect to BLUETOOTH® enabled cellular phones to make and receive cellular calls with the ease and comfort of a home phone system—avoid the mad dash to catch a cellular call before it goes to voicemail
- BLUETOOTH® enabled for connection to cell phones and headsets
- Download your cellular phonebook directory to this cordless phone system and dial a landline or cellular call from the directory for easy access
- Landline service not required, works great for cellular only households
- Stores 6000 directories from up to four different cell phones; no need to input names and numbers into your cordless phone
- Two cell phones can be actively connected to the base or one Bluetooth® headset; cellular calls can be made or received from either of these two active cell phones
- Pair four different cell phones or Bluetooth® enabled headsets

Replacement battery : BT183482 / BT283482
